We wish to further state that since September 2018, the Company has met liability obligations of more than Rs. 41,000 crore. Without any recourse to fresh debt funding, a situation exacerbated by multiple rating downgrades, the Company met all its financial obligations through a combination of internal accruals, sell down of its loan assets and monetisation of non-core assets.

The Company is already in the process of selling down its loan assets including wholesale project loans to make good all its obligations and maintain its 100% commitment to all its creditors as it has done since the liquidity crisis started in September 2018. The Company does not differentiate between secured and unsecured creditors and will continue to uphold its standing as one of the leading Housing Finance Companies of the country.

Kindly acknowledge receipt and take the same on your records.

Thanking you,

Yours faithfully,

For **Dewan Housing Finance Corporation Ltd.**
